

VENUE LIST

USEFUL INFORMATION

- Diabetic eye screening is **free of charge**.
- **Do not drive** to your screening test as drops can make your vision blurred for up to four hours
- The camera **does not** come into contact with your eyes.
- The screening appointment will last around 30-40 minutes.
- It is **not** necessary to also book a sight test. However, If your Optician is listed below, they *may* be able to complete both a screening test and sight test, if you prefer.
- If you are unable to get public transport, please see reverse of this leaflet.
- Please note, for the GP locations, you **do not** have to be registered to that particular GP in order to book a screening appointment.
- Please advise of any mobility issues when booking.
- If a venue has no appointments in the next six weeks, they will advise you of other venues in the *area*
- We have added 'what3words' for each venue to help locate our clinics. If you are viewing electronically, please click the link which will access the map.

-  = Wheelchair access
 = No large mobility scooters
